Miss Marija will read us
The story of Little Red
Riding Hood in Bulgarian!

As Miss Marija read the story, we were able to understand what she would have been talking about by looking at the images.

It was really interesting to hear a familiar story in an unfamiliar language. One of the children is from Bulgaria and took pleasure in listening to a story in his home language.

Miss Marija taught us how to say hello, goodbye and thank you in Bulgarian!

It takes 3 hours 45 Minutes to fly to Bulgaria from our nearest airport.

That's the same as being at school from first thing in the morning until we do the afternoon register!

Bozhidar told us that he had been on the plane to Bulgaria to see his family. "It is a long time" he said.

Nestinarstvo is one of Bulgaria's oldest traditions that is still practiced in modern times, in which dancers walk across hot coals. By dancing with fire, Bulgarians are praising the Sun God and asking him to deliver good health and wealth in the new year.

“That’s fire!”

“That’s very dangerous!”

“Her feet are burning!”
